

## Tell Me About Me!

Dear \_\_\_\_\_,

I am working on a scrapbook about myself. I would like your input, because my friendship with you is a part of who I am today. I'd really appreciate getting your thoughts on our relationship, in your own handwriting, to include in my scrapbook.

So, tell me about me! I'd love to hear your version of:

- How we met
- A favorite memory of something we did together
- What you've learned from me
- What you like best about me
- What you admire about me
- What you hope will happen in our relationship in the future
- \_\_\_\_\_

Please let me know if you have any questions about this project. I've included a piece of acid-free paper for you to write your thoughts on, so I can include it in my scrapbook.

I look forward to your response. I really appreciate your taking the time to do this for me.
