

## Tell Me About Me!

Dear \_\_\_\_\_,

I am working on a scrapbook about myself. And I would like your input! I would really appreciate getting your thoughts on our relationship, in your own handwriting, to include in my scrapbook. Because part of who I am is directly influenced by the company I keep.

So, tell me about me! I'd love to hear your version of:

- How we met
- A favorite memory of something we did together
- What you've learned from me
- What you like best about me
- What you admire about me
- Your goals and dreams for our life together
- Your philosophy on marriage ("Marriage is...")
- \_\_\_\_\_

Please let me know if you have any questions about this project. I look forward to your response! Thanks so much for your time! I really appreciate it!
